PREFACE

Our book is the story of the youth of our community. As you read and page through our book we shall endeavor to acquaint you with our school, not only as a building but as a lively community, working, living, learning, and growing to meet the challenge of bigger and world-wide communities. Our school community is comprised of teachers, students, friends, and helpers. We are honored and proud to claim as our Alma Mater a school system which has graduated persons of respect and an enviable record. Let us show you one year's activity in our school. We shall begin with the backbone of our educational system—the faculty, which has faithfully guided us through our scholastic career. We invite you now to turn the page and become further acquainted with these ladies and gentlemen.

“Selected Supervisors Guide Our Footsteps”

We are thankful for our capable administration which guided and channeled our efforts during our stay in the school community. Four years ago when we entered as freshman, we were slowly converted through the hopes and patience of our determined teachers into capable seniors ready to take new places in life. Our school could not be complete without an administration, so we have devoted a section to the Board of Education, the Faculty, the school superintendent, and our school's principal.

Front Row—Left to Right: Claude Keller, Seth Albright, Edwin Muth. Back Row: Ralph Weidner, Arthur Iobst, Albert Wieand, Robert Stauffer.

The Men Behind the Teachers

Learning will never cease. It is knowledge that determines the progress of America. The group in charge of our education, the Board of School Directors, meets regularly once a month, and in emergencies calls special meetings more often. On these capable men rests the task of supervising the teaching of the future citizens of Emmaus.

The board has as its regular duties as those of levying taxes, hiring and paying teachers, and repairing the various school buildings. This year appropriations were granted for the repair of the high school. Under recommendation of Superintendent Howard J. Yeager, the School Board introduced a new Spanish course in the high school, discontinuing temporarily the course in German.

The members of the School Board are: Seth Albright, President; Ralph Weidner, Vice-President; Claude Keller, Secretary; Edwin Muth, Treasurer; Arthur Iobst, Albert Wieand, and Robert Stauffer.

We Seniors Reminisce Successful Class Record

Our class started as a group of one hundred and sixty-two, a community of hopeful young Freshmen, who were looking forward to school friendships, fun, and new studies. When we presented the Minstrel, "Under the Stars," on January 31 we were proud as only green Freshmen could be. It made us part of the high school.

The following September we donned the title of Sophomores. Enthusiastically we sponsored our first dance in May. Time no longer dragged; we were too active.

Juniors at last! Almost all of us had acquired the spirit of school pride. We patronized our dances, cheered at the games, boasted about our class, and took our place with the Seniors in conducting activities. We held the successful Thanksgiving Dance; enjoyed dancing at our Junior Prom held at the Owls' Home; and said, "Good-by," to the Seniors with a farewell dance.

We were a class in war time. Boys were enlisting, others were attracted to defense plants and all of us were kept busy writing to our friends in uniform. Almost daily we welcomed some alumnus now in uniform back to our school for a brief visit. Our class play, "The Eve of St. Mark", which we presented three times, won favor with a people at war. Although there was a war, we had our dances at Hallowe'en, Christmas, and Valentine's Day. After participating in school activities, which helped us to uncover our special talents and interests, many of us had planned our future. At graduation one hundred and two Seniors received diplomas; some of us were already actively in the armed services. This graduation and the Senior Ball climaxed our high school careers. We were ready to build a better world wide community.

Left to Right: Dorothy Shoemaker, Jean Gehman, Julia Sikorski,
Shirley Leister.

GLORIA EVA ADAMS

433 ELM STREET, EMMAUS

We can think of no better way to start our senior section than by a picture of our tall, efficient and trustworthy treasurer. Between keeping our books straight and keeping up the morale of the Navy, Gloria is kept busy. We are sure that Gloria will be able to conduct all her affairs as well as she takes care of our money.

Commercial Course; Class Treasurer 2, 3; Dancing Club 1, 2, 3; Chorus 1; Senior Typing Club 3; Yearbook Staff (Club Editor) 3; Cafeteria 2, 3.

LILLIAN MAMIE ADAMS "Lil"

519 BROAD STREET EMMAUS

You'd be surprised at how much noise this girl can make. She's quiet in school most of the time but—oh my! Her ambition—well, what is nearly every girl's ambition? He's over in England now, but the war can't last forever. We have a feeling it's serious, and, with a wish for her happiness, we say, "Adieu".

Commercial Course; Senior Typing Club 2, 3; Yearbook Staff 3; Chorus 1.

ANNA KATHRYN BARTO

176 SEEM STREET, EMMAUS

This little lady makes her own clothing, sings, draws, and paints. She already tasted life work because she has done office and shop work at Rodale Manufacturing Company. Temporarily she gives much of her time to writing letters. She appreciates fun on the radio and in the movies more than most people.

Commercial Course; Senior Typing Club 2, 3; Knitting Club 3; Dancing Club 1.

GLORIA ELVA BAST

151 EAST MAIN STREET, EMMAUS

After you are acquainted with Gloria, her sweet personality becomes more and more evident. Typing and sewing seem to interest her most; of course, we mean outside of keeping the morale of servicemen high with her daily letters. Her participation in outdoor sports explains her healthy smile. She is an all-around girl, and will certainly make that certain fellow happy.

Commercial Course; Chorus 1, 2, 3; Glee Club 2, 3; Senior Typing Club 3.

DOROTHY LOUISE BAUS

EAST SECOND STREET, ALBURTIS

Speed, speed, and more speed, that is "Dottie's" aim in typing. We think she is an absolute genius on a typewriter, forever the first in our class. But, more than that, she is a cashier at the Alburtis theatre every Thursday evening. It's one way to spend her time since "Sip" has gone into the navy. Probably stenographic work will engulf her after graduation.

Commercial Course; Girls Athletic Club 1; Knitting Club 1, 3 (President); Dancing Club 1, 2; Typing Club 2, 3 (Treasurer).

RICHARD BORTZ "Bortz"

MAIN STREET, ALBURTIS

Here is the best illustration for the song "Mister Five by Five". Dick may get in your hair once in a while, but we know he means well. Dick's genial remarks and irresistible personality are bound to find their way to your heart. Dick can always be found at our dances.

General Course; Chorus 1, 2, 3; Boys' Glee Club 1, 2, 3; Student Council 2; Monitor Club 2, 3; Boys' Home Economics Club 3.

DOROTHY LILLIAN BREY

537 MINOR STREET, EMMAUS

Did you say attractive? Dorothy is all that and ambitious too. On "The Tattler," and "Yearbook Staff" she is very efficient. She spends part of her time designing jewelry and clothes, which will help her to realize her ambition, fashion designing.

Commercial Course; Monitor Club 2, 3 (Secretary); Class Secretary 2, 3; Tattler Staff 2, 3 (Circulation Manager); Bridge Club 1; Dancing Club 1; Yearbook Staff (Circulation Manager); Senior Typing Club (Secretary) 3.

BETTY HELEN BROWN "Brownie"

614 BROAD STREET, EMMAUS

This chunk of gorgeous femininity goes by the name of Betty. She enjoys a good argument and usually sees that she gets her point across. Betty is an expert typist, and has worked in the office of one of our factories in Emmaus.

Commercial Course; Chorus 1, 2, 3; Girl's Glee Club 2, 3; Basketball 1, 2, 3; Dancing Club 1, 2, 3 (President); Senior Typing Club 3.

Left to Right: William Urffer, Albert Heimbach, Melvin Hillegass, Dale Burian.

DOROTHEA M. BUCHECKER "Dotty"

EMMAUS ROUTE 1

Charming Dorothea possesses a colorful personality. Her variegated interests range from dancing, bicycle riding, and ice skating, to roller skating. Our cafeteria owes part of its success to her efforts as an industrious worker. Dorothea is interested in both office work and nurse's training.

General Course; Dancing Club 1, 2, 3; Chorus 1, 3; Operetta 2, 3; Girls Athletic Club 1.

DALE NORTON BURIAN

43 SOUTH THIRD STREET, EMMAUS

If you happen to be going through the halls and you think you hear Frank Sinatra, look around, for somewhere close at hand you will find this curly-haired lad. Dale isn't certain what Uncle Sam will want him to do, but he is willing to lend his best effort.

General Course.

KENNETH RAY CARL "Reds"

710 CHESTNUT STREET, EMMAUS

If you happen to be going past the triangle garage and you see a neon sign, you're wrong. It's "Reds," the mechanic of our class, who is partly responsible for keeping our football team working. He has a good sense of humor, a willingness to work and ability. Kenneth's ambition lies in the Air Corps, and we know whether flying or repairing them, "Red" will do his job.

General Course; Football 1, 2, 3; Track 1; Baseball 3; "The Eve of St. Mark"; Athletic Club 1, 2, 3; Dancing Club 2.

PATRICIA ELLEN CHRISTMAN "Patty"

EAST MAIN STREET, EMMAUS

It won't be long now before an epidemic will start spreading across the country. Why? Simply because Patsy has enlisted in the U. S. Cadet Nurse Corps, and naturally everyone will want her to look after them. Her pleasant smile and extra special service in Cafeteria will never be forgotten.

General Course; Dancing Club 1; Tattler Staff (reporter) 1, 2; Dramatic Club 3 (Secretary); Chorus 1.

Left to Right: Marian Gardner, Virginia Wilson, Mary Moser, Joan Pennebacker.

Left to Right: Jack Gallie, Richard Druckenmiller, Richard Bortz, Andrew Seaman.

STEVE CHWASTIAK "Steve"

MACUNGIE ROUTE NO. 1

Here is East Macungie's contribution to the success of our class! Steve claims to have been the best caddy Brookside ever had, but we have our doubts. Besides talking, Steve likes dancing, swimming, movies, and the women. All joking aside, his ambitions rest in the U. S. Navy.

Academic Course; Radio Club 2; Dancing Club 2, 3; Boys' Home Ec. Club (Secretary) 3.

GEORGE EDWIN CLYMER, JR. "Geo"

711 CHESTNUT STREET, EMMAUS

"Geo" was the second from our class to be called for service with the Navy. When we lost George to the Navy, it was a great blow to the football and track team as well as to our class. He can be easily distinguished by his wavy brown hair and pleasing smile. Lots of luck to a swell gob.

General Course; Track 1, 2; Football 1, 2, 3; Dancing Club 1, 2; Band 1; Gym team 1.

BETTY MAE CORRELL "Hessie"

32 NORTH SECOND STREET, EMMAUS

Emmaus! Emmaus! Rah! Rah! Rah! It's "Hessie" cheering away for Emmaus. She has a ready smile for everyone, and lately her favorite song is "Anchors Aweigh." Betty can be seen at almost all the dances. For your information, her blonde hair is real and doesn't come out of a bottle.

Commercial Course; Dancing Club 2 (Treasurer) 3; Cheerleader 2, 3; Gregg Speed Typists 3.

HAROLD JAMES DANKEL "Sugar"

120 NORTH FIFTH STREET, EMMAUS

"Sugar" is the nickname of this good-looking, curly-haired, debonair lad with a southern accent, which he developed in playing a splendid part in the Class Play. Harold is the Cassinova of our class and he is liked by all. He plans to be a railroad engineer, provided Uncle Sam doesn't change his mind.

General Course; Student Council 2; Baseball 1, 3; "The Eve of St. Mark"; Boys' Home Economics Club (Vice President) 3.

Left to Right: Richard Derr, Sturley Harman, Carl Urffer.

RICHARD R. DERR "Dick"

555 NORTH THIRD STREET, EMMAUS

Is it Rubinoff? No, its only Maestro Derr practicing on his violin. "Dick" spends most of his spare time on the milk truck or doing farm work. He adds humor to life in the shop, and is jovial everywhere. His corn cob pipe interests him greatly and is with "Dick" most of the time. We know that whatever this able-worker attempts, success will be his.

Industrial Arts Course; Track Manager 1, 2, 3; Stage Manager 3; Future Craftsmen Club 2; "The Eve of St. Mark" 3; Orchestra 2, 3; Dancing Club 3; Rifle Club 2; Arts and Crafts Club 2.

WILLIAM HENRY DONEY, JR. "Joonk"

374 BROAD STREET, EMMAUS

"Joonk" is our dream man. He's tall, handsome, and is he smooth girl's! William has his own unique style of dancing, which probably accounts for his large female following. After school hours he's one of Krause's soda jerkers. He writes to servicemen and soon hopes to join the Navy.

Industrial Arts Course; Dancing 1, 2, 3; Arts and Crafts Club 1, 2; Orchestra 1; Future Craftsmen Club 2.

RICHARD FEGELY DRUCKENMILLER "Drucky"

547 MINOR STREET, EMMAUS

This dark handsome lad with long wavy hair is a lady killer. It is rumored that MGM is after him to play opposite Betty Grable. Dick is the president of our school FBI and does a fine job. He is always ready to take part in any class activity. His ambition lies in the Air Corps.

General Course; Student Council 1, 2, (President) 3; Monitor Club 2, (President) 3; Yearbook Staff; "Eve of St. Mark" 3; Board of Judges 3.

WARREN LUTHER ECK

MACUNGIE ROUTE 1, MACUNGIE

This young lively lad is now serving in the U. S. Marine Corps. Before leaving us, he did his bit after school by working on a farm. Warren is a friend to all, and a genial companion. Track and farming are his hobbies. We are certain he will give the Japs plenty to worry about.

General Course; Track 1, 2; Radio Club 2.

CECELIA DAISY FEGLEY "Ceil"

318 GREEN STREET, EMMAUS

CeCelia has revealed herself to us in two different lights. In school she is a calm, collected, studious person, deeply engrossed in her commercial work. At home she occupies her time collecting miniature elephants and newspaper clippings. Her earnestness and dependability will assure her success.

Commercial Course; Chorus 1, 2, 3; Glee Club 2, 3; Senior Typing Club 3; Dancing Club 1, 2, 3.

VIOLET IOBST FISHER "Vi"

651 WALNUT STREET, EMMAUS

Violet is the reserved member of our class. One of her favorite past times is writing poems, and they're good too. She does a great job keeping up the morale of servicemen by favoring them with delightful letters. The rest of her sparetime is occupied with knitting, reading, and typing; but she still finds time to patronize the theatre constantly.

Commercial Course; Senior Typing Club 2, 3; Knitting Club 1, 2, 3.

JEAN LUCINDA FLORES "Frenchie"

33 NORTH FIFTH STREET, EMMAUS

She isn't the silent type; she isn't studious. Well, what is she? Flores is her nickname and Kenneth is her ambition. On the spur of the moment she can become one of the most active persons you have ever seen. Maybe she'll be the dress maker of our class. Well, sew long, Jean.

Commercial Course; Dancing Club 1, 2, 3; Chorus 1, 2; Basketball 1, 2; Glee Club 2; Athletic Manager 1; Senior Typing Club 3; Yearbook Staff (Athletic Editor) 3; Cheerleader 2, 3; Cafeteria 2, 3.

LORRAINE ADELE FOLK "Rayn"

111 NORTH SIXTH STREET, EMMAUS

Lorraine is a reserved member of our class. But don't get the idea she's quiet, because she doesn't know anything to talk about. Indeed, not! Just take a look at her report card and you'll see an array of A's. She has done outstanding work on "The Tattler."

Commercial Course; Knitting Club 1, 2, (Treasurer) 3; Tattler Staff (Reporter) 2, (Page Editor) 3; Senior Typing Club 3.

Left to Right: Dorothy Baus, Betty Correll, Stella Vince.

JOHN H. GALLIE "Jack"

EMMAUS ROUTE 1

Jack came to us from Pittsburgh in our Senior Year, but he quickly made up for lost time by exhibiting his fine talent in "The Eve of St. Mark." Since his arrival, he has made many friends, especially of the female sex. He passed for the Army Air Corps Reserve and will leave for training shortly after graduation. Keep 'em flying.

General Course; Dancing Club 3; "The Eve of St. Mark" 3; Baseball 3.

MARIAN DOROTHY GARDNER

MACUNGIE ROUTE 1

ALBERT BAUS GEHMAN "Abe"

635 CHESTNUT STREET, EMMAUS

If you are looking for a good argument, here's the chap who will give it to you. "Abe" has proved his worth in football, basketball and on the dance floor. His time is divided equally between a certain member of the freshman class and his preparations for the Air Corps of which he is on Enlisted Reserve. Keep 'em flying, fellow.

General Course; Basketball 1, 2, 3; Football 3; Dancing Club 3; Athletic Club 3.

DOROTHY ARLENE GEHMAN "Dot"

426 RIDGE STREET, EMMAUS

Amid the banging of the pans and the rattle of the dishes you are sure to hear Dorothy's voice. If she isn't making some new tempting dish, she's selling the lunch tickets in the morning. She has told us, if the war continues for sometime, she intends to be a grease monkey, following in her brother's footsteps. That, we are sure, is a necessity in this day and age. So go to it.

Commercial Course; Chorus 1, 2; Glee Club 1, 2; Knitting Club 1; Tattler Staff 2, 3; Senior Typing Club 3; Dramatics Club 3; Cafeteria 2, 3.

JEAN VIOLA GEHMAN "Jeanie"

726 MAIN STREET, MACUNGIE

When Stephen Foster wrote "Jeanie with the Light Brown Hair," we think he must have been referring to our Jean. Little wonder that she's the belle of our class. She dances, she swims, and she's an interested listener. We're very proud to have her in our class. "Jeanie" already has a position as secretary, and what's more she likes it. Bona Fortuna.

Commercial Course; Senior Typing Club 2, 3; Dancing Club 3.

STURLEY BROOKS HARMAN "Goldie"

429 RIDGE STREET, EMMAUS

Imagine "Goldie" coming to your door to sell insurance. With his self-assurance and amiable qualities he'll succeed. However, the Army will probably claim him first. Working in the Acme Self-Service Store occupies most of Sturley's time, but he still finds time to attend our school activities and entertain the girls.

General Course; Dancing Club 1, 2, 3.

Left to Right: Thomas Hilt, LaVerne Hersh, George Shelly,
Thomas Hemphill.

Vocational Agriculture Course; Future Farmers of America 2, 3 (Secretary).

ESTHER LILLIAN HEIN

221 SOUTH SECOND STREET, EMMAUS

Esther is very studious and ambitious. When she and her pal Lois get together, hilarity is sure to prevail. It was just lately that her hidden dramatic ability was discovered in the Dramatics Club playlet. Esther has her heart set on nursing, and we know that her strong perseverance will help her accomplish this goal.

Academic Course; Dancing Club 1; Chorus 1, 2, 3; Dramatics Club 3.

THOMAS SAMUEL HEMPHILL "Tommy"

"Tommy" is a great sports fan, and pays special attention to baseball. He can always be found with LaVerne or George in school or at the pool room. Whether he enters the service or not, we are sure the future holds good things in store for him.

General Course; Baseball 3; Arts and Crafts Club 1.

FERN GERTRUDE HENSINGER "Blondie"

Commercial Course; Dancing Club 1, 2, 3; Knitting Club 1; Senior Typing Club 2, 3; Cafeteria 3.

LAVERNE GERALD HERSH "Hoshie"

79 CHURCH STREET, MACUNGIE

LaVerne may soon become one of Uncle Sam's bluejackets.

General Course; Band 1, 2; Art and Crafts Club 1.

PAULINE MARY HESS "Polly"

MACUNGIE ROUTE 1

Commercial Course; Dancing Club 1, 2, 3; Senior Typing Club 2, 3; Cafeteria 3.

MELVIN RAYMOND HILLEGASS "Mellie"

221 SOUTH FIFTH STREET, EMMAUS

Although Melvin appears to be the strong silent type, he's able to match the gang word for word, when they get together. If help is needed, he's willing to aid without hesitation. Besides delivering papers, Melvin plays pool and goes to the movies. Even though he's mischievous at times, he is a good student. May the best of everything be his.

Academic Course; Hi-Y 3; Home Economics 3; Checker 1.

THOMAS PAUL HILT "Tommy"

MACUNGIE ROUTE 1

Tommy, a happy go lucky lad, is forever wise-cracking and joking. Hurrying around in the halls at lunch time, seeking God knows what, is Hilt, captain of the Monitor Club. He has enlisted in the Air Corp Reserve. Don't forget Tom, it doesn't mean a thing, if you don't pull that string.

Left to Right: Doris Stephen, Gloria Bast, Fern Hensinger, Dorothy Gehman.

ELSYE JANE HINES "Essie"

304 MAIN STREET, EMMAUS

Energetic Elsy has the remarkable ability to be two places at one time. Of course, we don't mean this literally, but she manages to be a friend. She relishes swimming, is fond of dancing, (boys), and writing letters. Elsy claims she has no interest whatsoever in the opposite sex, but then, opinions differ. Her ambition is to become a member of the U. S. Cadet Nurse Corps.

General Course; Dancing Club 3; Student Council 3; Girl Reserves (Secretary) 3.

RUTH LORRAINE HOFFERT "Ruthie"

22 MAIN STREET, EMMAUS

It's Ruth selling tickets again for a play or a dance, Ruth is right in there helping to draw the crowd. Her spare time is spent at Mealey's, where she has become quite a whiz at roller skating. During her study periods she strives to improve her typing. With her ability we know she shall succeed.

Commercial Course; Dancing Club 1; Knitting Club 1; Senior Typing Club 2, 3; Cafeteria 3.

HARRY M. HUTCHINSON, JR. "Harry"

542 LIBERTY STREET, EMMAUS

When Uncle Sam called for men, Harry was the first from our class to answer the call. He was active in the Boy Scouts of America, and was a class officer. The experience he gained while working at Dundore's will help him achieve the position of chief pharmacist's mate. Anchors Aweigh, Harry!

General Course; Dancing Club 1, 2; Track 1; Checker Club 1; Class Vice President.

LEONA MAE IBACH "Mickey"

EAST TEXAS

One of the smaller girls of the senior class, Leona is very studious. Her pastimes are swimming, movies and—"Vernie." You could always see "Mickey" at a football game cheering for "her hero." She expects to go into nursing in the fall; and I'm sure none of the boys would mind having "Mickey" for their nurse.

Academic Course; Student Council 3.

CHARLES O'HARA YAREMA "O'Hara"

66 KEYSTONE AVENUE, EMMAUS

With little fear of contradiction, we say, "Here is the Charles Boyer of our class." Charley hadn't been heard of much or seen often at social affairs, but it seems, that, since the Senior Class Play, in which he distinguished himself as an actor, "Charley" has suddenly sprung into the limelight, and is the admiration of many a girl. "Chas" plans enlistment in the Navy after graduation, and we are sure this will be a great blow to Hitler and Tojo.

Clubs Offer Pleasant Diversion from Studies

Years hence, as we look fondly back upon our school days and our youth, what shall we remember best? Will it be the petty disagreements with our fellow students, the seemingly harshness of our teachers, or the carefree, happy hours spent in class or in the clubrooms of our choice? Probably the memories that will remain longest will be the latter, the happy times we had in school, especially in clubs.

Yes, clubs are important, for there hobbies are formed, characters developed, and even foundations for careers are laid. This year with the arrival of new teachers and their novel ideas, a large number of new clubs have sprung up. These, combined with the veteran clubs, formed a variety of relaxation appreciated by the students. Let us drink a toast to these clubs. May they continue to grow and prosper in the future as they have succeeded in the past.

Young Journalist

Twenty-four capable seniors, chosen by the class officers, senior class advisers and the advisers of the Journalistic Club, edited this book. They devoted their study periods, club periods, and many hours of work after school in order to publish "The 1944 Tattler".

Our book followed no definite theme, but instead wove into its pages the idea of school as a community, working, living, learning, and growing together.

When the staff was organized, the first objective was to award the printing and photography contracts and to

select an engraver. The Kutztown Publishing Company was given the printing contract; the Calvin Studio handled our photography; and Sanders-Reinhardt Company made the engravings, while Mr Albert S. Benfield supervised the literary work and Mr. Elwood L. Ortt was our business adviser. In order to complete work efficiently and quickly a cabinet of five was appointed; each cabinet member was made responsible for one section in the book.

The staff chose to use unique and informal pictures to present an unusual book.

POTATO EXPERT EXPOUNDS DEMOCRATIC OBLIGATIONS

"Our Responsibilities in Democracy" was the theme of Dr. Ernest L. Nixon, well known lecturer and author, who spoke to us on February 22.

At the present time he is the agricultural advisor of the Pennsylvania Chain Store Council and formerly was extension pathologist of Pennsylvania State College.

He is engaged in breeding new varieties of potatoes—among them are: the Nittany Cobbler and the Hunk. Nixon's potatoes produce a yield of thirteen hundred bushels per acre.

He was also a member of the Potato Growers' Association. His group has been successful in our state and in the country.

In addition to his lectures, Dr. Nixon has written several books on potato growing.

WOULD-BE JOURNALISTS EDIT NEWSPAPER

Every democratic individual appreciates and respects the Bill of Rights, especially the freedom of the press. Appreciation and respect for this freedom has been shown in our newspaper.

The staff composed of 16 Junior and 7 Senior Journalists, tried heartily to express their ideas in an intelligent, accurate, and honest manner. Everywhere members of the staff could be seen gathering news about school life, gossip, sports, educational material, and last, but not least, bits of information regarding servicemen.

This Journalistic Club met weekly with the assistance of the faculty advisers, Mr. Albert S. Benfield and Mr. Elwood L. Ortt.

"THE EVE OF ST. MARK" MAKES HISTORY

This popular production by Maxwell Anderson is the first great war play of World War II. The story portrays the struggle in a soldier's mind between call to duty and love of home.

Quizz West is a farm boy who falls in love with Janet Feller, a neighbor. He met her in New York while on leave. He assures Janet of his love before he leaves.

Quizz takes a last look at home shores, when he leaves from San Francisco. He is sent to Manila Bay, where amidst all the fighting he is stricken with malaria. He dreams of Janet and she begs him to get well and come back to her.

The radio reports desperate fighting in Manila Bay and Quizz's parents realize he is there. A few days later they receive a communication reporting that Quizz is missing in action. While Janet and his mother read it, they know they will never see Quizz again. Quizz's brothers then enlist to fight for a better world.

Our cast, the committees, the stage hands and Mrs. J. Harold Zimmerman staged one of the most successful class plays ever given. Three large audiences crowded the auditorium to view our play.

YOU LEAD—WE FOLLOW

Under the capable direction of Mr. Weil, the band, as in the past, is still a living symbol of the green and gold. For at every football and basketball game, at all local gatherings, their stirring military airs ring out above all others. Aside from its usual functions it has played at presentations of production awards, at a Muhlenberg V-5 program, in fact at all places where a good band is needed. It closed its yearly activities with a concert in June.

IN LINE WITH THE MAJORETTES

Woo! Woo! Here come our high stepping, fancy, bevy of majorettes dressed in their eye-catching gold and white costumes. What could be prettier on a cool crisp fall day than our girls heading the band, and dexterously performing their intricate routine of baton twirling and acrobats? This group, which has entertained appreciative fans for three years, has lost Virginia Wilson and Jean Gehman through graduation.

UNCLE SAM'S HELPERS STIMULATE BOND SALES

The Bond Drive was sponsored by a committee selected from the Student Council, which acted as the receiving body and secured the stamps for the pupils. They had two separate drives, which were both very successful. The total for the drives was \$13,000. The first drive had for their aim the purchasing of an amphibian jeep and the second drive had miscellaneous articles. A free ticket for a dance, which was sponsored by the committee themselves, was given to each pupil who purchased a \$25.00 bond. They danced to the music of the High School Swing Orchestra.

SINGING STRINGS PROVIDE MUSICAL SETTINGS

Musical entertainment provided by the orchestra has lead and supported many programs this year. Rehearsals held every Friday noon, develop the talent of young musicians in playing classical orchestrations. This musical group has furnished entertainment at its annual Spring Concert, commencement, and many of the assembly programs.

TALENTED MISSES ENTERTAIN SERVICE MEN

We wish to congratulate these versatile songsters for their classical and popular music which they readily render with youthful charm and energy. They have interpreted songs for church gatherings, and have sung at USO farewell entertainments for servicemen and women. They are a part of Jerry Reinsmith's Orchestra and have frequently given numbers at our assembly programs.

"MOONLIGHT SERENADERS" SPOTLIGHT DANCES

From both the orchestra and the band, eight musicians of extraordinary ability have combined their talents and organized the "Moonlight Serenaders." Their music charmed dancers at the "Victory Hop," "Sadie Hawkins Dance," the Gym Exhibition dances, and the Bond Drive Dance. The Freshman Minstrel and assembly programs also proved their musical skill. Serenaders, your music deserves our praise.

Sophomores, juniors, and seniors interested in dancing, comprised the largest and most popular organization, the Dancing Club. The members enjoyed a dance held in May, which was sponsored with their club dues.

YOUNG LADIES CONDUCT MUSICAL ASSEMBLIES

Each week a large group of female songsters, singing together, train to perfect its harmony. The girls displayed talent and good training at our assembly programs. This club under the direction of Mr. Errol K. Peters has members from the tenth, eleventh, and twelfth grades. Activity credits were given to all participants.

MUSIC LOVERS FIND PLEASURE IN SONG

Our chorus has accumulated 101 voices that blend into one harmonious swell of music. Singing in the chorus offers a popular diversion from the day's classes and is beneficial in developing a speaking and singing voice. Our chorus sang at the Armistice Day Program, the Christmas program, and the Spring Concert, "Music for Spring."

PROGRESSIVE BOYS COOK, FEAST, AND SEW

At last! A home economics club for men only! The club is composed of junior and senior boys who meet the second and fourth Monday of the month. The aim of this club is to offer valuable experiences to the boys in cooking and darning, which are particularly useful for youth's in times like these. The club offered many opportunities and experiences in preparing meals and home cooking.

BUSY HANDS RESULT IN CONTENTED STOMACHS

Amidst the hubbub that usually accompanies the preparing of food we find our very capable Miss Lucille Dorney assigning duties to the cafeteria girls. With the aid of Mrs. Mabel Schantz and Mrs. Bella Hensinger, they have turned out exceedingly delicious meals. Ask anyone who ate their Thanksgiving and Christmas dinners. Although it is under the rationing system, Miss Dorney has planned appetizing meals that show no trace of being point free.

STUDENT POLICEMEN ENFORCE SCHOOL LAWS

Upholding and enforcing the laws laid down by the student governing body, the Monitor Club is one of our most outstanding bodies. The members of this restricted club, comprising thirty-six Juniors and Seniors, are selected by the senior monitors from applications submitted by junior candidates. Meetings, held the first Monday of every month, report the existing conditions and formulate plans which will improve student traffic.

DEPENDABLE LEADERS CONTROL SCHOOL ACTIVITY

This successful legislative body has satisfactorily discussed and offered recommendations on lyceum, home-room problems, and lunch time activity; they selected movies, conducted a Bond Drive Dance, a "Sadie Hawkins" Dance, and 2 successful Bond Drives. Two members represent each home room. One is elected by the students, the other is chosen by the teacher. Mr. Peters attends the meetings and offers advice.

RESERVES CLAIM, "WE PRACTICE WHAT WE PREACH"

These Christian girls, ranging from the ninth to twelfth grades practice what they preach. Gracious in manner, impartial in judgment, this group is loyal to friends and ready to serve. Guided by their adviser, Mrs. Stanley T. Moyer, they endeavor to spread their principles by kind acts and Christian deeds. A worthy club like theirs, builds good citizens.

YOUTHS STRIVE TO UPHOLD CHRISTIAN IDEALS

The Hi-Y club is one of the manifestations of the basic principles of the Young Men's Christian Association. Its purpose is to create, maintain and extend throughout the school and community, high standards of Christian character. Problems of the senior high school boys were discussed at the semi-monthly meetings of the club. The four planks in its platform are clean speech, clean sportsmanship, clean scholarship and clean living.

ENERGETIC GIRLS EXPERIENCE LIBRARY WORK

The Library Club, successfully sponsored by our librarian, Miss Doris I. Bath, each year invites freshman girls into the organization. After two weeks' trial, the most energetic and reliable are chosen to work one period a week. For this she receives ten points. The Library "E" is given to each member at the end of her junior year, who has accumulated ten thousand points.

BUDDING ARTISTS DEVELOP ARTISTIC TRAITS

An enthusiastic group of art devotees and its adviser, Miss Charlotte Treichler, met every Tuesday after school in the art room. This group formed a club to develop its members' talents in general art work. Whenever the weather permitted, the members went outdoors and sketched landscapes, buildings, or other artistical points of interest. Indoor projects included: stenciling cloth, sketching people, and etching glassware.

ASPIRING ACTORS IMPROVE ASSEMBLIES

This year a new and interesting club, the Dramatics Club, was formed by Juniors and Seniors to inspire students to become interested in dramatics. Mrs. J. Harold Zimmerman with her talent and experience aided the club in staging a Christmas play, and two comedies. The club also was responsible for reading the scriptures and making announcements at our assembly programs.

SPEED AND ACCURACY IS THEIR GOAL!

The Typing Club has become increasingly essential and popular with Seniors, who wish to train themselves for specialized office work by attaining speed and accuracy in letter formation. The club has surely been a successful venture for some of the members expect to put their training to use in our Capitol, Washington, D C.

NIMBLE FINGERS KNIT ONE, PURL TWO

With the clicking of needles and a soft murmur of voices the Knitting Club gets under way every other Monday afternoon at 2:45 P. M. It was organized to teach girls to knit, and to increase the knowledge of those already experienced in knitting. Other activities included are embroidering, crocheting, and talking about the news items of the day. Most of the articles made were for the girls' own use. The main social activity was a Valentine party which proved to be a great success.

PATRIOTIC YOUTHS PROVIDE JOY FOR SERVICEMEN

Our Red Cross has been expending its efforts to make servicemen happier in their strange surroundings. Several weeks before any holiday the members steadfastly work making menus for servicemen in hospitals. They have paid for the materials which were used to construct furnishings for the Indian-town Gap Recreation Center. Its meetings were held on the first and third Monday of each month.

LITHE GIRLS CULTIVATE POISE AND RHYTHM

Poised, graceful, and rhythmical perfectly describe the members of the Girls' Athletic Club. After long hours of practice and careful planning in club periods and after school, the girls provide beauty and glamour at the yearly gym exhibition. Girls who are active members for three years receive a letter in their Senior year.

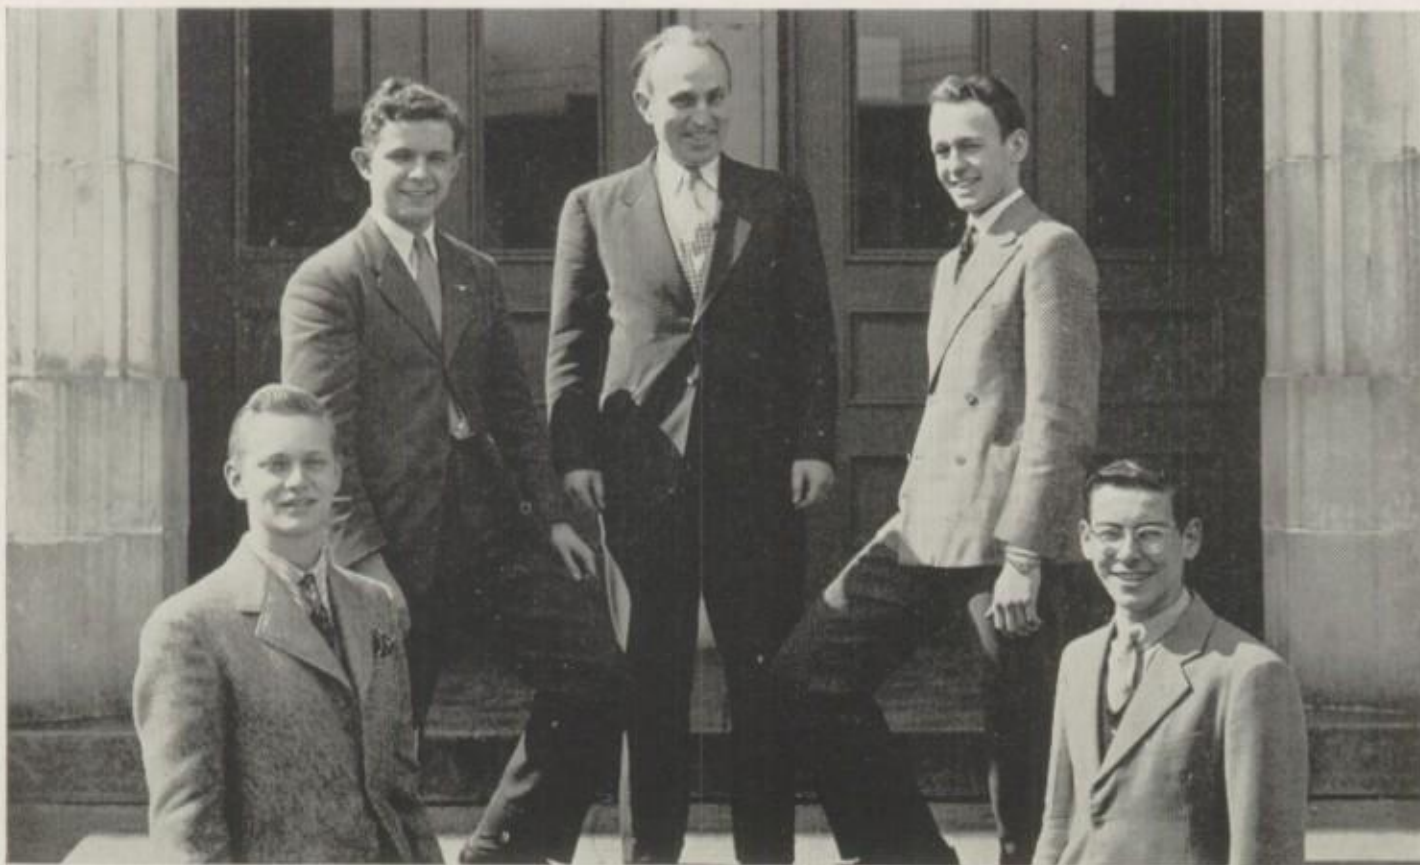

EXPERIMENTAL PROJECTS INTEREST FARMERS

One of the most active and progressive clubs in the school is the Future Farmers of America. They carried away top honors at the fair, built the brooder house behind the school, repaired machinery in their shop, conducted a father and son banquet, sponsored a course in the repair of farm machinery and furthermore made the club self-sufficient through their projects. The club's activities do not stop with the close of the school year, but continue throughout the summer as they work on experimental farm projects.

MALE QUARTET

OUR ABLE QUARTET SINGS THE CLASSICS

A male quartet has long existed in our school, because as the members graduate four new boys blend their voices. Our present quartet was formed last year with Mr. Errol K. Peters' guidance. Our four boys, who render classical music so well at churches, clubs, and in school, are: David Alloway, first tenor; Charles Markley, second tenor; Philip Nuss, baritone; and Joseph Rubenak, bass.

TWELVE GIFTED GENTLEMEN PRACTICE HARMONY

These 12 boys meet every Thursday morning to blend their harmonious voices in singing college songs, classics, and American and Russian folk songs. Their music has brought pleasant assembly programs and their participation in the Spring Concert, "Music for Spring," helped to make it a real success. This experience in school will prepare them for participation in the Emmaus Male Chorus and musical church organizations.

Members: David Alloway, Richard Bortz, Norman Deiter, Russel Ganey, Stanley Kline, Gawain Koch, Richard Laudenslager, Charles Markley, Philip Nuss, Joseph Rubenak, Robert Solt, Clarence Winzer.

A Healthy Body the Foundation of Sound Mind

During war time both boys and girls should feel obligated to their government to keep themselves in the best physical condition possible and this is the goal toward which the sports program in our school strives. Besides developing physique, sports also develop ability to think fast, make quick decisions and work with other people. This is what Uncle Sam is striving for. Where would an aviator be, if he had no ground crew to patch up the holes and keep the plane up? Where would a halfback be, if he didn't have someone to open up a hole so he can go through? Don't be surprised if one of these days, you see these boys and girls who played on your high school team playing for a bigger and better team—a team that can't lose! With Uncle Sam as the coach and the American people as the spectators, we are looking forward to an early and decisive victory.

GREEN HORNETS WIN THIRD PLACE IN LEAGUE

The success of our football team of '43 and '44 season was due largely to the capable coaching of our new mentor, Mr. Leon Tuttle, and coach "Fritz" Harwick. With several players returning to form the nucleus of this year's team, Coach Tuttle called the first practice for Sept. 7th. Because of lack of time, he was forced to continue the formation for our first clash. However, the succeeding games were played with the mighty "T" formation.

The first game was played under the lights at Fairview Field on Sept. 18 with Emmaus taking a 25 to 0 beating from a powerful Central Catholic team. Our next game, played at Stroudsburg, consisted mainly of a tug-and-nip affair ending in a scoreless tie. The following week proved disappointing when Northampton emerged victorious after a hard battle on a slippery field 13 to 0. Slatington was the first victim of our new offensive, taking a 25 to 0 defeat at their Victory Park. Our clash with Catasauqua proved to be a thriller with our opponents finally winning 18 to 6. The Lehigh Indians proved to be a stubborn foe and finally tied the game 7 to 7. Boyertown suffered a stunning defeat of 21 to 7 at the hands of the Hornets despite unfavorable weather. Green and Gold fans were given a show of determination, when Emmaus turned away a strong Palmerton team to the tune of 6 to 0. East Greenville proved no match for our merciless attackers, despite high hopes, and was defeated 27 to 0.

The Annual Turkey Day game showed the most beautiful display of the powerful "T" by our boys. The Zephyrs of Whitehall were favored to turn the Hornets back, but in a brilliant game, Emmaus won 24 to 0. This complete victory gave our team third place in league standings.

The fine progress which characterized our team was due to a great spirit of sportsmanship and cooperation by coaches and players. The Senior letter-winners are: Gene Miller, Capt., Eugene Longenecker, Charles Reinert, Gerald Weaver, Albert Gehman, George Clymer, Vernon Oswald, Kenneth Carl, and Cyril Kocis, Manager.

Third Row: Henry Iobst, Manager, Kermit Link, John Godusik, Kermit Ritter, Richard Williams, George Yanochko.

BASKETBALL TEAM ESTABLISHES FINE RECORD

With three varsity men returning to Coach Fred Harwick from last year's team, the Green Hornets established a very successful season, with 11 wins and 9 losses.

Launching the season with a 29 to 9 victory over Coopersburg, they traveled to Allentown for a 55 to 22 trouncing. In the following tilts they forced a good Central Catholic team into 2 extra periods before being defeated 25 to 22; and in the return match, Central Catholic again turned out the winner in an extra period, 32 to 27. However, these heart breakers were revenged by the Hornets in defeating Hellertown twice, 42 to 22, and 50 to 17.

The Hornets inaugurated the league season by winning three successive and exciting clashes with Northampton, Stroudsburg, and Whitehall, to the scores of 20 to 19, 34 to 29, and 40 to 36 respectively. The

following week proved disastrous. We lost to Slatington in an upset 32 to 31, followed by a thrashing from the Bombers of Palmerton 48 to 28. Playing host to Catasauqua, our boys again fell on the short end of a 25 to 18 score in the closing game of the first half season. Not disheartened by these losses, our team flashed form in defeating Coopersburg 44 to 25 and Nazareth 31 to 30 in independent clashes.

Opening the second half of the league schedule, our boys beat Northampton, 24 to 20 and followed up by turning back a Stroudsburg Quintet 37 to 33 at Stroudsburg. Journeying to Whitehall, the Hornets lost their string and went down to the count of 32 to 20. The team again hit pay dirt by taking revenge on a first half defeat by Slatington 44 to 22. Following this, Palmerton again proved their superiority to the tune of 33 to 23; and traveling to Catasauqua, our boys were forced to yield a 33 to 26 loss to close the season.

FEMININE BALL HANDLERS WIN 6 OUT OF 8 GAMES

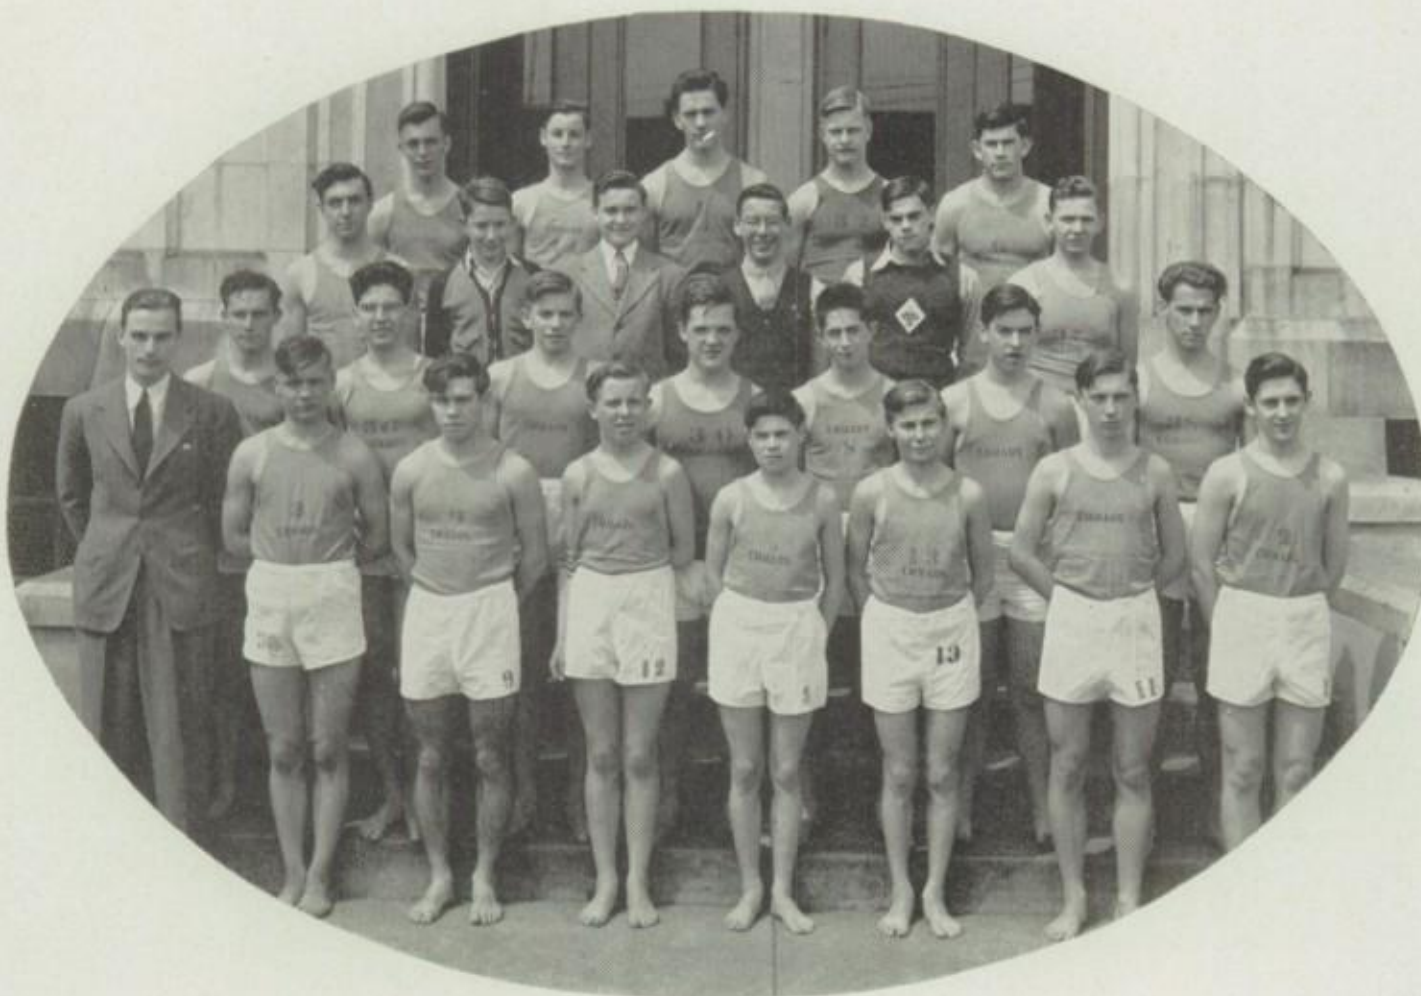

Although in some schools Girls' Basketball is a "fading" sport, our able coach, Mrs. Jagnesak succeeded in forming an effective and formidable squad. Supported by two varsity players from last year's team, Coach Jag-nesak organized a hard fighting combination. Twenty-four members consist-ently reported for practice twice a week and were rewarded for their efforts by closing the season with six games won, one tied, and one lost.

The Girls opened the season on December 3 by journeying to Coopers-burg, where they defeated their opponents 14 to 10. The next game played with Hellertown was tied in the last few seconds 21 to 21; however, this scare was revenged in the following game with the Hellertown lassies, losing 24 to 10. Continuing their winning streak, Emmaus easily defeated Bethle-hem Business College 35 to 8. Bethlehem Catholic gave the girls their first and only defeat 24 to 8. In a return match with Coopersburg, Emmaus again was the victor 23 to 7; and closing the season they trounced Bethlehem Business College 21 to 8.

The enthusiasm and determination shown by the girls is evidence that they gave their all in supporting their team. We wish, therefore, to pay tribute and also to express our gratitude to an exceptional team and a fine coach. Captains Betty Brown and Francis Knapp are the senior letter winners and will be lost by graduation.

TRACKMEN DEVELOP BRAINS AND BRAWN

When Coach Harwick had the first practice for our track team on March 28, he had quite a few veterans from last year's squad to form a nucleus of a fine team. Unfortunately, most of our Lehigh Valley League opponents did not feel the need to continue this field sport; and as a result, we were faced with an extremely light schedule. Emmaus continued this event to keep our boys in good physical condition. Among the letter-winners who have seen their last year of action are: Gene Miller—100 yard dash; Eugene Longenecker—javelin; Vernon Oswald—high jump; and Donald Genter—pole vault.

BIG NINE PLAYS BALL WITH SPIRIT

Probably the most significant fact about this year's baseball season is the efficiency of Coach Tuttle to organize an aggressive and formidable team. His job was made extremely difficult by the discontinuance of baseball last year; however, with the aid of such capable and talented players as S. Knauss, K. Carl, M. Lenner, H. Dankle, C. Reinert, C. Kocis, and G. Shelly, he was able to pass this crisis. Thus, after a comparatively successful season we herewith wish to pay tribute to a fine coach and a distinguished team.

GYMNASTS REALIZE IMPORTANCE OF TEAMWORK

It is rather difficult to measure the success of a non-competitive team, except through the audience it attracts.

The Varsity Gymnastic Team attracted a large audience in the annual exhibition on April 13 and 14, to which the members of the gym team made a splendid contribution.

The team as a whole was a well balanced combination. Members of the squad who failed to qualify for breath taking numbers on the program made up for their deficiency by performances in individual events of a minor nature.

This year's gym team was composed of only five senior high school members, the remainder of the twenty-three being junior high school students.

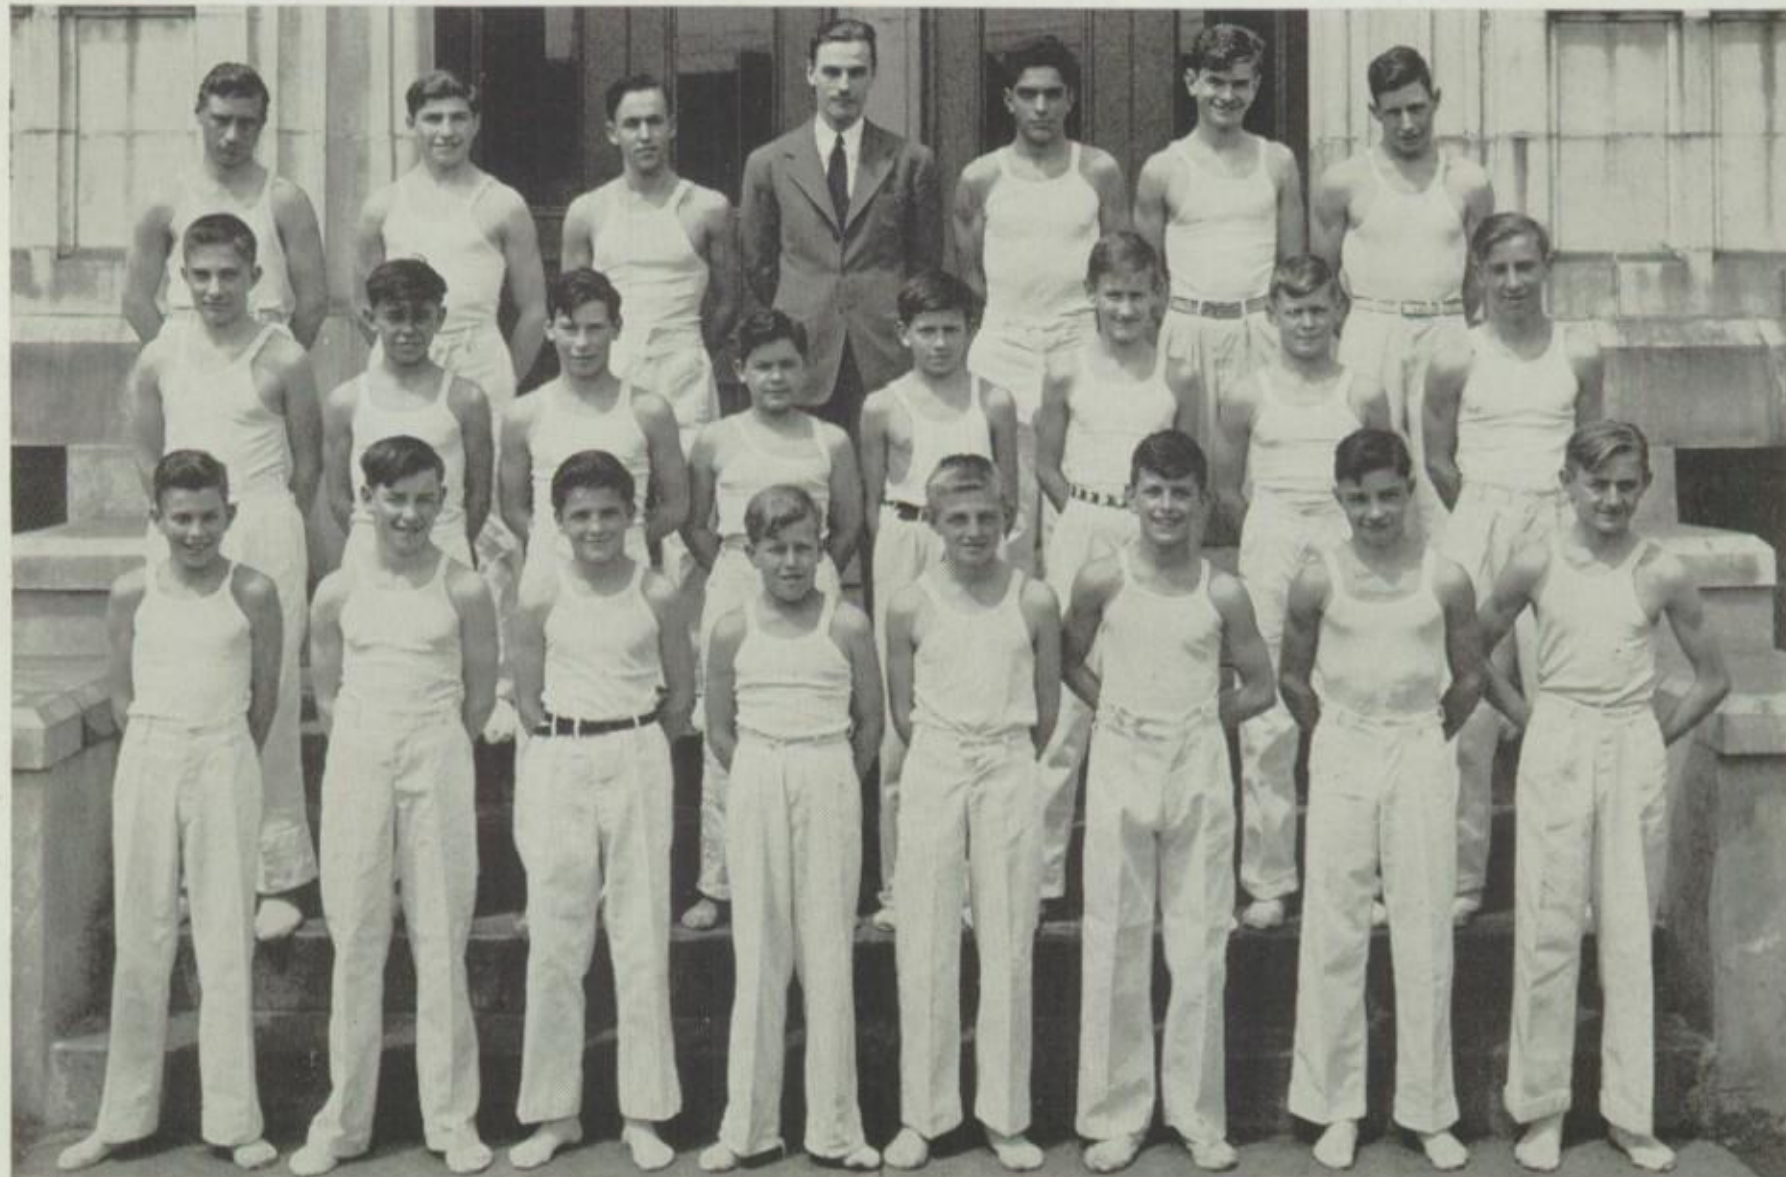

This means that next year the gym team will have a better team than ever before, because most of its former members will be retained.

The boys' gym team has taught its members one main quality: the importance of teamwork. This factor will help them in the future, when they get out into the world to make their own living.

NIMBLE GIRLS LEAD CHEERING SECTIONS

Here they are folks! The girls who lead our sports fans in the rhythmic cadence that characterizes inspiration and encouragement to fighting teams. These enthusiasts have been faithful on the job, journeying with the team despite wartime restrictions, whenever transportation was available. The senior cheerleaders, Julia Sikorski, Captain, Betty Correll, Jean Flores, and Joan Pennebacker, have done especially well during the past two years and the high school regrets their loss by graduation.

The Junior and Senior cheer leaders are: Lorraine Moyer, Barbara Pennebacker, Julia Sikorski, Kathleen Fritz, Joyce Eastman, Jean Flores, Betty Correll, Joan Pennebacker.

ADVERTISEMENTS

Interested Businessmen Support Our Annual

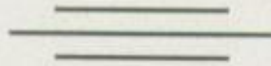

We have shown you all the activities a school itself enjoys, we can't forget our financial support. In our little community we look to the business organizations and professional enterprises for the vital medium of exchange, money. Each of the advertisements has made a part of our Tattler possible.

Not only have they supported us at the end of the year when advertisements were needed, but some of them have provided training programs for the Commercial Department. These cooperative programs aren't published in big headlines but they are appreciated. With supporters that supply the inspiration and money, why wouldn't a community like ours prosper?

YOUTH'S PLACE IN THE POST WAR WORLD

To the High School and College youth of today, whether still in School or serving in the Armed Forces of our country, the world must look for leadership in the years ahead.

There will still be many uncharted roads, many unsolved problems, many frontiers to open, and to everyone there will be an opportunity to make for themselves the kind of life that only can be attained in a Free Country. Many of our lads will have paid the supreme sacrifice so that the rest of us can enjoy these freedoms. May we, whom God has spared so prepare ourselves that we will not fail them, but that we may do our full part in assuring this world of a Just and Lasting Peace.

There is a definite challenge to the Youth of Today to so prepare themselves for this Post War Period that they will be ready to do their part. To our returning Youth, we assure them that it will be our duty to see to it that they are given the chance to prepare themselves for the kind of work they desire and to help them, not find a job, but fit them into the place where they can contribute the most to their own happiness and to the betterment of mankind.

We are proud to present this school annual as a sample of the craftsmanship, design and service of which we are capable.

It was a pleasure to work with the staff in a cooperative effort to accomplish such a meritorious task as this excellent book.
